

BACCHUS Annual Meeting 2015, 13-15 January 2015

Meeting room HG D3.2, main building, ETH Zurich, registration on F floor, "Uhrenhalle"

Tuesday 13 January	Wednesday 14 January	Thursday 15 January
08:00-08:45 Registration 08:45-10:45 WP1 workshop	08:30-08:45 Info deliv./reporting (T. Schnadt) 08:45-09:45 General Assembly	08:30-09:30 Time for additional WP workshops
10:00-11:00 Registration 10:00-11:00 Coffee	09:45-10:15 Coffee 10:15-10:45 Science talk (solicited) (Athanasios Nenes)	09:30-10:00 Past and future field data (solicited) (Paul DeMott) 10:00-10:30 Plenary: results from WP1 10:30-11:00 Plenary: results from WP2
11:00-11:15 Welcome address (U. Lohmann) 11:15-11:25 Technical Info (T. Schnadt)	WP2 science talks 10:45-11:00 Parameterisation of Sea Spray Aerosol (M. Rinaldi) 11:00-11:15 Global fire and BVOC emissions (S. Hantson)	11:00-11:30 Coffee Break 11:30-12:00 Plenary: results from WP3 12:00-12:30 Plenary: results from WP4
11:25-12:10 Status of WP1 (A. Ansmann, C. Facchini)	WP3 science talks 11:15-11:30 Precipitating trade-wind convection (R. Vogel) 11:30-11:45 Ice microphysical modeling using a single column model (P. Connolly)	12:30-13:30 Lunch 13:30-15:30 Plenary (Discussions, action items etc.)
12:15-13:30 Lunch 12:15-13:30 SC Lunch	WP4 science talks 11:45-12:00 Modeling of BVOCs & SOA formation (R. Makkonen) 12:00-12:15 Natural aerosols vs. indirect effect (K. Carslaw)	
13:30-14:00 Status of WP2 (M. Kanakidou) 14:00-14:30 Status of WP3 (P. Stier) 14:30-15:00 Status of WP4 (J.E. Kristjanson) 15:00-15:30 Status of WP5-7 (T. Schnadt)	12:15-12:30 Science talk (Martin Stengel, DWD)	15:30-15:40 Closing address (U. Lohmann) 15:40 Coffee
15:30-16:00 Coffee	12:30-13:45 Lunch 12:30-13:45 Womens' Lunch	16:00 End of Annual Meeting
WP1 science talks 16:00-16:15 BACCHUS database (B. Sierau/J. Atkinson) 16:15-16:30 Emission of biological particles (H. Su) 16:30-16:45 Satellite activities (D. Rosenfeld) 16:45-17:00 Lidar activities (A. Ansmann)	13:45-15:15 Pls: Diversity & Gender Workshop (DiB*) 13:45-15:15: Others: Lab tour (Z. Kanji, B. Sierau) or leisure time	
17:00-17:15 The ChArMEx project (F. Dulac)	15:15-15:30 Coffee	
17:15-19:00 Poster session including reception	15:30-17:30 WP Workshops	
19:00 End of day 1	17:30-18:30 SAB and SC Meeting 18:30 End of day 2 19:00 BACCHUS meeting dinner	

The annual meeting is mandatory for all participants¹ of BACCHUS on all days from Tuesday through Thursday. Please let Tina Schnadt know if you need more time for separate workshops than indicated in the agenda.

The purpose of the annual meeting is to give each participant a full overview on the scientific, technical, and administrative progress and requirements of the BACCHUS project. Additionally, in the General Assembly important elections and decisions will take place. As regulated in the Consortium Agreement (CA), these require presence of all or at least the majority of all Participants. Another important point of the annual meeting is to meet or get to know the other Participants in person – we will all work together in this project in the next years, and this is much easier and comfortable if we all know each other!

* External company : DiB (Diversity in Business), V. Gürtler-Doyle, Novartis

¹ Exceptions are possible for participants with minor contributions, after consultation of Work Package Leader and Coordinator.
